

OKA

Handling Class Reminder

There was a discussion at the recent Board Meeting 1/22/2014 pertaining to Aggressive and Disruptive dogs.

OKA handling classes have always had a ZERO tolerance policy in place for aggressive/and or disruptive dogs.

Members and Non-Members who bring an aggressive or disruptive dog to any OKA handling class will be asked to remove the dog from the building. There will be NO exceptions.

OKA handling classes are for training your dogs for the Show Ring, they are not a place to teach your dog good behavior and certainly not the place to bring an aggressive dog.

If you have, aggressive or disruptive behavior issues with your dogs, seek another avenue to bring these issues under control.

This policy pertains to any size or breed of dog.

All dogs must be under their owner/handlers control at all times, when in the building.

The above policy is to protect, Handlers, Spectators & Dogs.

This policy will be enforced.

If you see a situation that makes you uncomfortable please bring this to the attention to of one of the instructors.

Thank You

Brenda

OKA President
